How Much I Hate Red Hair

I don't know what gets me about it but something about _____ Adjective hair just ticks me off. It may just be because of how it looks like some fried _____ Noun _____ Noun or the fact of how its not natural and how the hair just never looks _____ Adjective / _____ Adverb unless your a _____ Noun but other then that i don't like it. Its a nice color just not for hair. It also matters what type of face you have or the skin color.
