# home sweet home

After a long day of work I love to go back to my Adjective house. My house has a shed next to it and a common noun in the back. When I come home my fluffy dog always irregular past tense verb me at the door because he is demonstrative. My dog is bigger than my cats. My dog woke me up last night. My wife Proper Noun and I like to go to in the woods east of my house. In winter the area around our home gets adstract noun. We love this little home. We have a comparative proper adjective tree in the front yard this tree is the superlative tree in the woods.
