1. Proper Noun

# Alexis Meily

For my birthday this year me and a couple of my friends went to the Raystown Water Slides. When we got there, we rode the 4 slides like 20 times! It was a lot of fun. When we were walking to get on a slide my friend Proper Noun got yelled at for running and we were told that is they had to talk to us again they would kick us out. After riding the slides a few more times we all went back to my house. WE watched A Dog`s Purpose, it was really sad! Then we had Pizza from Dominos. We listened to music until it started to get dark then the boys went home. Me and all the girls stayed in my camper. We kept hearing noises and didn't go to sleep until about 6 in the morning. We only got a few hours of sleep because we ended up getting up at 9 because some of the girls had to leave at 10. After everyone went home my mom made me clean up. I was so tired! But it was the best birthday I've ever had!
