# What do you want to do

I really want to do something today. There are many Adjective things we could do. We could go Verb Present ends in ING. We could go for a Verb Base Form. We could go to the pet store and Verb Base Form Animal (plural). We could go to the Location. We could go to the Noun and Noun. We could go out to Verb Base Form. We could go to the Noun game. We could play Noun Plural. We could take a Verb Base Form to the Location and Verb Base Form. You choose what to do but let's Verb Base Form soon.
