Baystars 2017

One day, _____Doctor Name_____ walked into his _____Market_____ practice in _____Location_____. He realized he had no _____Noun Plural_____ in his office and wanted to fix that!

I need a website! Said DR _____Last Name_____. I wonder who I should call!

He went on his trusty _____Noun_____ and typed in websites for _____Occupation_____.

"No I don't want to go with _____Competitor_____ because they are _____Adjective_____. And I definitely don't want to go with _____Other Competitor_____ because they are known for _____Verb Present ends in ING_____ their customers! And I really don't want to sign up with _____Other Competitor_____ because their websites cost a _____Body Part_____ and a _____Body Part_____"

DR _____Doctor Name_____ finds a(n) _____Positive Adjective_____ company, Baystone Media and he decides to sign up. He is thinking of going with their _____Bundle Package_____ package because he really wants more visibility on the web. His budget is _____Dollar Amount_____ a _____Time Period_____, so he's hoping Baystone fits into his budget.

After signing up with _____Website Consultant_____, he decides to go with the _____Template_____ design in the _____Color_____ color for his design call. He is going to get _____Number_____ months free!

After his call his website goes live and already is on the _____Number_____ page of _____Search Engine_____! He couldn't be any more _____Emotion_____.

He calls into _____Adjective_____ web support and wants to find out more information about his website. When one of the reps answer he asks "_____Question_____"

Before the rep could answer, he demands to speak to a manager. The call is transferred and the doctor hangs up in the process. He realized he was being rude and didn't want to take it out on somebody else. In fact, he gives everybody _____Number_____ each for their troubles with him, and offers free _____Marketing Package_____ for everyone !

THE END
