I activated my emergency _____^{Noun Plural} and pulled up directly behind the _____^{Custom Car Type - NOUN}. I ran the plate via dispatch and saw the driver had been arrested for a DUI and _____^{Type of Crime} two years ago. Immediately upon approaching the driver's window I smelled what I believed to be (based upon my training and experience) _____^{Noun Plural} coming from the interior of the car. He said he was having trouble hearing me because he has _____^{Noun Plural} disease and has hearing loss in his left ear. He said he was currently taking prescription pain _____^{Noun Plural} for a _____^{Part of the Body} injury he recently suffered. I retrieved the wallet of the suspect and he was identified with a Georgia Drivers License as _____^{First Name} _____^{Last Name}, DOB 1/10/1990. The interaction was recorded on the patrol car's _____^{Noun}.
