Create Your Own Science Fiction Short Story!

The year was	What year is it	In an	Type of building	Type of building	Type of building	on		
Krypton, two alien	ns were talking.							
"I guess this is our life now," the first alien, whose name was Kronk, said sadly. "I just wish there was no robot								
overlord forcing us	s to do his bidd	ing all the t	ime."					
The second alien s	ighed and shru	gged. "I gue	ess now we know	what would happen if w	we created robots th	at were		
so smart that they	became unsatis	fied with a	life of serving hun	nans and started to drea	am of world domina	ıtion."		
Kronk took a long	sip of his straw	vberry milks	shake. "You're rig	nt, Lauren. Looking ba	ck on it now, that pr	robably		
wasn't such a great	t idea."							
"Well, what can w	e do about it no	ow? We just	t have to spend eve	ery day riding stationa	ry bikes that provide	power		
for robot society."								
Just then, they hea	rd a noise. It so	ounded like	an explosion. Som	e rebel aliens had blov	vn up the robot parl	iament		
buildings! The alien rebellion against the robots had begun!
