A Letter Home

| Dear Mom and Dad, |
|--|
| I am sorry I have not written sooner but the from Portugal to West Africa took longer than |
| expected. Fortunately, it turned out we did NOT lack supplies this time and arrived at our |
| destination before the food ran out. I also got a chance to use the tools that I learned about at |
| Prince Henry's school when it was my turn to check our course. |
| The area where I am staying is by the Songhai Empire. The Songhai are the third in a |
| Noun of empires that have ruled this area. We are hoping to claim territory and build an Noun |
| of our own for Portugal. Given the Noun of the Portuguese, this should not be too difficult. Most of our |
| Noun Plural with the people here have been positive as we traded Adjective goods for gold. |
| However, I was very upset to learn that prisoners of war here are and sold at the market. |
| I am hoping to learn new during my travels and will make sure to share any tips with you that |
| can help with the family farm. |
| Sincerely, |
| |
| Proper Noun |
| |
