It's De-Lovely from Anything Goes

The Noun is Adjective, the skies are Adjective

So if you want to go walking, dear,

It's delightful, it's Adjective, it's de-lovely.

I understand the reason why

You're Adjective, 'cause so am I,

It's delightful, it's Adjective, it's de-lovely.

You can tell at a glance

What a swell Noun this is for romance,

You can hear dear Persons name

Murmuring low,

"Let yourself go!"

So please be Adjective, my Noun,

And when I verb you can do to something- kiss hug etc you, just say to me,

"It's delightful, it's Adjective,

It's Adjective, it's Adjective,

It's Adjective, it's Adjective, it's Adjective,

It's de-lovely".

I

feel a sudden urge to sing

The kind of Noun that invokes the Noun.

I'll control my desire to curse

While you verb you can do to something- kiss hug etc the Noun.

This verse I started seems to me

The Noun of a melody

So spare us all the pain,

Just skip the Adjective thing and sing the Noun...
