Cheyenne by Jason Derulo

I'm a little unsure how it got soAdjective		
If I let go I know I'll regret it		
Every that I held before, I was sure to break it		
I don't know what you did but		
I just can't stop		
Thinking about you everyday		
No I can't stop now		
Look what we started		
You're not what I expected 'cause		
All I ever wanted was some fun		
Look what we started		
I used to look for exits 'cause		
All I ever wanted was some fun		
I never meant to fall in love		
I never meant to fall in love		

I never meant to fall in love	
First Name of a Person	
Got the table set for guess you couldn't make it	
Thought I kissed your again, I was Noun_	
Still believe that night we shared was something sacred	
I'm tryna clear my but
