# poke test

It all started when Ghastrly took Pikachu's egg. When Pikachu found out he was very very angry!

Pikachu went to the \_\_\_\_\_ Noun \_\_\_\_\_ of doom where ghastrly was keeping his egg. The tower was made of obsidian so it was very hard to see but, the tower was shiny in the moonlight. The door to the tower was locked.

Pikachu made his tale into a key shape. Then he used iron tail and unlocked the door! Then the door creaked open all by itself! Then a squirrel with \_\_\_\_\_ Adjective \_\_\_\_\_ silver wings came thru the doorway. The squirrel was wearing a hula outfit and said to Pikachu "I will be your guide". Pikachu said okay.
