Diva slowly entered the Wolf, moaning. Kate shouted out Diva's name. Diva had a 9 width cock. Kate was surprised it fit.

EVE'S POV

I walked upstairs To check on my Daughter and friends. When I got upstairs, I heard moans. What type?

_____ Adjective _____ Adjective _____ Adjective _____? Or, maybe... Pleasure... I instantly became turned on by that thought.

I creaked the door open. Thank God they didnt hear me. There, I saw, Diva, Laika and My daughter in a Orgy.

My daughters pleased face gave me an erection. Her ass was being filled by Diva while Kate boned Laika. My penis was fully erected. I unzipped my jeans and pulled them down a little. I stroked my cock as I watched them go at it. I looked at Diva, I can tell she was close to an Orgasm. I walked in. They all froze.

"M-mom! What a-are you _____ Noun _____ here?"; Kate stuttered.

"I was called off work today and decided to come home."; I said.

I looked at Laika. She had cum in her mouth and ass.

I

smiled. I took off my jeans and pointed my erection at Laika. Laika was surprised.

I looked at Kate.

I got on 4's. I backed up to Laika.

"C'mon, sweetheart..."; I purred.

"Do it, Laika. My mother can take anything..."; Kate said. Laika grunted.

"Hmph. I'd love you to take me."; Lika

purred.

"Do it then, baby..."; I said.
