## One day in BSA

One day during our	Meeting,	First Name of a Person	_ asked us about what we were doing for
the Holidays. Each of us v	vent around and shared	d excitedly our plans.	When it came to my turn, I became excited
and started to sing about n	ny plans to bake and p	lay football, a traditio	on that runs in my family every winter. Our
manager Tom then asked	us what one gift we wa	anted to receive this y	year. He gave us a few minutes to discuss
with one another. I whispe	ered to Sally next to m	e and told her the onl	y gift I wanted was to have my 100 cases
pending drop to 2. She law	ighed and agreed with	enthusiasm. At the en	nd of our meeting, we were given coffee
and cookies and left with	our stomachs full and	joy in our hearts whe	n we realized that the Team holiday party
was also just a few hours	away, thus ending ano	ther day in the life of	the BSA department.
