# How to play CHEATERBALL

CHEATERBALL is a Noun that when the opponent is stumped you win!!!

Players start out playing Noun, Noun, Noun, or Noun. Then all players take turns being the Noun. They make up stuff that happens until the other player doesn't know what to do.

Example: "Donald Trump passes the Noun to ."

"No, Spears Verb Present ends in S the Noun down the other side of the court and Verb Present ends in S it, two points."

"But before Spears dunked it, Trump switched the goals, so he got the points."

"Actually, Spears is a football player, so it doesn't count."
