One day, John went to the \_\_\_\_\_ shop. He wanted to buy a new \_\_\_\_\_ for his \_\_\_\_\_. "

How much is this \_\_\_\_\_", he asked the \_\_\_\_\_. "That's an explosive \_\_\_\_\_" said the shopkeeper, "try this one instead, it's made of \_\_\_\_\_." "She'd prefer that", said John. "Have you got a blue one?" "I thought \_\_\_\_\_ were colourblind", said the shopkeeper. "They are", said John, "but \_\_\_\_\_ are very important to me. When something is the wrong \_\_\_\_\_ my \_\_\_\_\_ gets confused and my \_\_\_\_\_ get muddled." "Alright" said the shopkeeper, reaching for a new \_\_\_\_\_ from the \_\_\_\_\_. "How about this \_\_\_\_\_? It squeaks. And it's blue." "I like it" said John. "Here's a \_\_\_\_\_." "Thanks for your \_\_\_\_\_" said the shopkeeper. "I hope to see you again some \_\_\_\_\_. Take care on your \_\_\_\_\_ home." "I will", said John and he opened the \_\_\_\_\_ and walked back to his \_\_\_\_\_.
