# I thought today was going to be ordinary.... Part 1

My Name is First Name Last name, it has been just a Amount of weeks into my first year of high school and stuff is going to a great start, or so i thought.... This story takes place over Amount of Hours hours... I started school just like any other day. I woke up with Adjective Noun and the case of the Sickness or Bug. My TV Show Piece of clothing Adjective between my Body Part Plural. The hairs on my Body Part Plural were Adjective still. I had the urge to Verb Base Form myself with A Spray or liquid and i did as soon as i had my hands on it. My Mum or Dad Verb Past Tense on my Noun Verb Base Form " Get out of Noun!". I Adjective Verb Base Form over my door and opened it. As i exited my room my big Sibling or Family Member smashed me over the Body part with a Kitchen utensil and i Verb Base Form to the ground, only inches away from the stairs. I started to lean to the side of the first step, when suddenly my whole body started to take over and i started to Verb Base Form down the stairs. Each step passed, one bruise and bump after another. BANG or POW! I was shaking as i just slipped of the last step and i went to stand up. Once i regained my strength, i Verb Past Tense over to the Noun table and Verb Base Form down. My Mum or Dad just freshly Verb Base Form some A type of liquid juice and Verb Past Tense it too me. The glass was just Verb Base Form and the glass was still Adjective with water and my Body Part Plural started to Body Part Plural. The glass slid down and just Verb Base Form out of my Same Plural Body Part and Adjective into a Million or hundred of tiny pieces. Same type of liquid juice soaking my PJ's. "Oh Same First name you

Adjective Your own gender, clean up the Verb Base Form quickly!" Mum or Dad said.
