A letter to my Boss

Hello Mr Name

This is Name . Sorry i wont be able to come into Work or class because:

A) I have a really bad Sickness or Virus called the " Make up a funny word " and my Body part is getting really Adjective and i am A side effect or sickness ending in ING all over my Household item .

B) I recently lost my Family member on the A Number Of A month and i had to go to He or she funeral on A day of the week . He or She died of Cause of death .

C) I have just been robbed by a thief under the name of " Name ". He or she happen's to be the best thief in the world. He or she once jumped over someones Backyard Item , ran into their house and he stole \$ A Number dollars in cash in just under 15 minutes.

D) My Wife or Husband going into Surgery or Labour in A Number days and she is getting her Body part plural fixed after they got fractured when He or she fell down the stairs.

So i will be back in A Number days, sooner or later

Thank you for understanding

Also P.S.

I want my raise!
