Superheroes Save the Day

One day, a kitten _____ into a river. She _____ a floating branch. The kitten _____ for help. The superheroes _____ her. The first one _____ to the river, and the second one _____ to the river. When they got there, they _____ for the kitten. Once they _____ her, the first superhero _____ over to her and _____ her up. The second superhero _____ the kitten a towel. Now the kitten _____ safe and warm. She _____ the superheroes. They _____ the day!
