I, _____Full Name of a Person_____ , in my duties as _____WoD Genre_____ Coordinator, do hereby propose the immediate administrative character death for the _____Vampire Clan_____ PC that belongs to _____First Name of a Person_____ W. in the Chronicle _____City_____ by Night.

Reasons include:

1. Fuzzy _____Noun_____/_____Noun_____ - What the PC is capable of doing seems to vary greatly _____Verb Present ends in ING_____ on the _____Noun Plural_____ that they engage in. A large amount of _____Noun_____ seems to _____Verb Base Form_____ out of nowhere for random _____Noun Plural_____ they just happen to need at the time.

2. _____Verb Present ends in ING_____ PC maximum caps - I have _____Adverb_____ witnessed this character use certain Abilities above the _____Noun_____ that a PC is capable of having (such as _____Adjective_____ Arts and Athletics) and his _____Noun Plural_____ Background seems to be far _____Adjective_____ than it should be, even if he had the _____Noun_____ Ventrue Merit.

3. _____Verb Present ends in ING_____ to avoid Character Death - His PC has managed to call _____Adjective_____ Escape in situations where such an escape should have been _____Adjective_____. I blame the ST staff of _____City_____ by Night, and I would suggest that the Exec Team _____Verb Present ends in S_____ abuses by this player's HST, _____First Name of a Person_____

G. (In fact, I suspect that his HST has some sort of _____Noun_____ he uses to let the player know when all the _____Adjective_____ plots are about to happen.)

4. _____Full Name of a Person_____ rule / Character Death _____Color_____ Lining - Even though I've managed to _____Verb Base Form_____ off the PC Clanmate that was close _____Noun_____ with _____First Name of a Person_____ W's PC, this friend of his seems to just keep making new PCs with the same _____Noun_____ so that he can continue to play with _____First Name of a Person_____ W's PC. I also suspect that the _____Adjective_____ character death was _____Color_____ Lined and that the PC is still in play using an Alt. ID.

5. _____WoD Genre_____ NPC/Genre Abuse - Most _____Adverb_____, it is my opinion as _____WoD Genre_____ Coordinator that _____First Name of a Person_____ W. is using his PC to intentionally target canon _____WoD Genre_____ NPCs under my control and attempt to remove them from play. He knows that the _____Noun Plural_____ prevent him from being able to _____Verb Base Form_____ off the NPCs permanently without a Council _____Verb Base Form_____, so he just seems to _____Verb Base Form_____ them and keep them locked up until I am able to justify their _____Verb Base Form_____ and return them back under my control.

This PC is a _____Noun_____ to the Clan Genre I was elected to Coordinate. It is for these reasons and more that I propose that Council _____Verb Present ends in S_____ to GNC this PC. To be honest, I don't even know if it's a _____Vampire Clan_____ or not. I've just heard _____Noun Plural_____ that the PC is able to use _____Vampiric Discipline_____ to

turn into a _____Animal_____. But I've never seen this power used first-hand. I suspect that this PC's Clan and perhaps even _____Adjective_____ creature type have changed _____Preposition_____ the many years it has been in play ...

TL;DR: It's simple. We kill the _____Superhero_____.
