has guided me before.

Along the way, \_\_\_\_\_  
Repeat Last First Name of a Person falls into a river, and I have to fish him out by his

\_\_\_\_\_  
Location and see someone dancing there. It is a \_\_\_\_\_

Verb Present ends in ING to  
the sound of \_\_\_\_\_

Before they could do anything \_\_\_\_\_  
Repeat Last First Name of a Person comes out of nowhere and stabs  
\_\_\_\_\_

Weapon. \_\_\_\_\_  
Evil Relative Name dies and \_\_\_\_\_  
Repeat Last First Name of a

It has been \_\_\_\_\_ Number months since \_\_\_\_\_ Repeat Last First Name of a Person became the hero of the Kingdom. I have been selling my services as a \_\_\_\_\_ Occupation. Suddenly I see that hermit I'd meant to go see, \_\_\_\_\_ First Name of a Person. I call out to him and he asks " \_\_\_\_\_ Random Silly Sentence "?

It was all so clear now. I knew what I needed to do. I need to follow my dreams. I found a flat surface near by and went to sleep, so that I may dream. When I awake, I realise I must have over slept. The world looks completely different. The sky is \_\_\_\_\_ Colour, the grass is \_\_\_\_\_ Colour and feels like \_\_\_\_\_ Noun and there is a \_\_\_\_\_ Adjective creature peering at me from the \_\_\_\_\_ Colour bushes. It looks like a cross between a \_\_\_\_\_ Animal and a \_\_\_\_\_ Animal. \_\_\_\_\_ Exclamation like Whoa or Drat! I forgot about that \_\_\_\_\_ Number year sleeping curse that witch put on me when I was a baby!
