Homework

Dear _____
Adjective Noun

I am sorry to inform you that I have not finished my homework. I really meant to finish it, but certain things happened this weekend, that were beyond my control. It all started on Friday, as soon as I got home from school.

I went into my bedroom to find that my little _____ had _____ my _____. Why did _____ do this, you may ask? Well it is because _____ is really _____, and

_____ just can't _____ _____. So Saturday morning, I decided that I would try

and get some work done at the _____. I rode my bike down the road to the _____, when

suddenly, a very large _____ jumped out at me and _____ me around the block four times! It's a good thing that I am very _____ on my bike, or else I would surely have been _____.

When I finally arrived at the _____, I discovered that it was already closed for the day, because the head

Librarian had the _____! What bad luck! Frustrated, I decided that I would try and get some work done

in the _____, perhaps I could find a quiet spot to _____. Finally, I found a nice

_____ under a tree, so I sat down to _____. I read one page, when I was interrupted by

the sound of an _____ down from a tree nearby. With his large _____, he

_____ my _____, and _____ away, never to return! Either he was

_____ a _____, or he is the smartest _____ out there, because he really wanted

that book. With nothing left to do, I decided to ride back home, and guess who I ran into! It was the

again! The last thing that I wanted was to be chased, but I had no choice! Thankfully, I had enough energy to _____ the _____, and I returned home safely. I was so tired that I fell asleep right after dinner, and didn't wake up until _____ morning.
