I Verb Past Tense through my door to find my mother lying in the corner with a Noun sticking out of her Body part. "Not again mum!" I shouted. She was an Type of person and had obviously shot up again. Instead of helping her I went to my fridge and Verb Past Tense some food. I then went up to my room and watched some Something you Watch on TV.

Shortly after my father arrived home. All of a sudden I heard Way to talk - Shout Whisper etc "Trevor, Why is your mother dead?" He Verb Past Tense up to my room, took off his piece of clothing and Verb Past Tense me several times. He then Verb Past Tense on me and Verb Past Tense me in the body part. " You're grounded you little Noun " he bellowed.

So now I'm stuck in my room, no TV, no music and no Noun. What am I supposed to do? One day I will Verb Base Form my dad.
