Why I was absent

Hello Mr. Last name

I am sorry that I could not attend the School subject lesson yesterday. Why I was absent? It is a Adjective story.

My friend First Name of a Person called me and said that he needs help. I took my Transport and went to him as Adverb as I could. When I came to his place Number minutes later, I saw that he was Verb Present ends in ING . I asked him "Why are you Same verb ING ?" He said, that his Adjective Animal named First Name of a Person had run away. So we decided to find it. We went to the Location nearby to look for it. But there were some Adjective Animal - Plural who attacked us!

We came back to the house and my friend started Verb Present ends in ING . I suggested a Food break, so we sat down to eat. And that's when we saw Second name again in the tree!

My friend climbed up to the tree, and just when he got his pet, he fell down and broke his Adjective Part of Body . I called an ambulance and they drove us to the Adjective hospital very Adverb . Now my friend is alright, but he cannot Verb Base Form properly.

Sincerely,

First Name of a Person
