Fairy tail

Once upon a time, there was a occupation . She lived in a Noun . Then, one day she was kidnapped by an evil animal . With an angry onomatopoeia , he flew off. The king sent a occupation in shining material armor to Verb Base Form down the animal . He was defeated, and chose to retreat. Then, he ran into a friendly Adjective serpent, who gave him Adjective armor, weapons, and a flying animal . He set off to slay the animal ...

Good Ending:

The occupation fought the animal to a standstill. Then, the animal ate him. Just when it looked like our occupation was Adjective , he burst through the possessive animal skin. He and the occupation got married and lived Adverb ever after.

Bad Ending:

The animal quickly ate the occupation and the occupation . The possessive occupation Adjective armor gave the dragon infinite power, and so the dragon destroyed the universe.

Evil Ending:

The occupation slew the animal , absorbed its Noun , and conquered the universe.

Weird
