Adrift Movie Review

Set in 1983, Adrift puts an original spin on the shipwrecked-loner genre. It's the tale of what happens when Tami ends up _____Verb Present ends in ING_____ a _____Noun_____, after a storm has battered but not broken the sailboat she's on. But it's also a love story that keeps cutting back to the _____Repeat Last Noun_____ that caused her to be on that boat in the first place.

The boat is a _____Adjective_____ yacht, with everything they could need...until the storm hits. It is, as destiny would have it, a _____Adjective_____ hurricane. ... . The boat is just sitting in the middle of the maelstrom, rocked up and down by the waves. The sailboat in Adrift keeps moving, fast, approaching each violent black wall of water as if it were _____Verb Present ends in ING_____ _____Noun Plural_____, and the effect is terrifying.

The film opens with Tami _____Verb Present ends in ING_____ a _____Noun_____. She's alive, and her boat is sea-worthy, but Richard is nowhere to be seen. Then, miraculously, he turns up. Alive. Reasonably intact except for a nasty gash in his _____Part of Body_____. The two survivors gather _____Noun Plural_____, strategize, and use their fingers to feed each other a _____Food_____. Tami, a staunch vegetarian, starts off by refusing to _____Verb Base Form_____ any _____Animal - Plural_____, but she comes to realize that her culinary purity is a luxury she can't afford. They also _____Verb Base Form_____ _____Noun Plural_____. But all is not as it seems.
