Once there was a \_\_\_\_\_ Animal \_\_\_\_\_ who played \_\_\_\_\_ Instrument \_\_\_\_\_. He played it like a \_\_\_\_\_ Noun \_\_\_\_\_ and knew a ton of \_\_\_\_\_ Noun Plural \_\_\_\_\_ like \_\_\_\_\_ Noun Plural \_\_\_\_\_ of the \_\_\_\_\_ Location \_\_\_\_\_. After playing with his \_\_\_\_\_ Noun \_\_\_\_\_ one day, he decided to create a band. They called it \_\_\_\_\_ Name of a band \_\_\_\_\_. They played at the \_\_\_\_\_ Location \_\_\_\_\_ and were an instant success. One Yelp review stated \_\_\_\_\_ Review - cool product I loved it etc \_\_\_\_\_. They then went on to play throughout \_\_\_\_\_ Country \_\_\_\_\_ and had a fun time doing so.

The End.
