Airplane

I am going on a vacation to Location and I am dreading the plane ride. The last time I was on a plane I got a rash on my Part of Body, my Part of Body caught fire, and someone broke my Part of Body. The turbulence was so heavy, that everyone was Verb Present ends in ING around and I Verb Past Tense someone's Part of Body. I heard a gunshot and everyone panicked. I Verb Past Tense my Part of Body, Verb Past Tense on someone's pet Animal and jumped out of the plane with my parachute. I landed on Adjective ground thankfully. I saw a guy Verb Base Form his Animal, and then I went unconscious because Same animal (plural) make me Adjective.
