Hop and Bothered

I was walking along a back road when two _____ Animal - Plural _____ suddenly leapt into the air and landed one on top of the other. To my astonishment, I saw that one had pushed the other onto a _____ Adjective _____ groundhog.

In disgust, the groundhog lifted his _____ Part of Body _____ with a grunt and a distinct snarl.

After the startled and likely _____ Adjective _____ _____ Repeat Last Animal - Plural _____ scuttled away, the groundhog stayed in the same position for a few moments before waddling off, still in a huff. I'll never forget that woodchuck's _____ Adjective _____ _____ Repeat Last Part of Body _____ !
