Day in the life of Proposals

On a fine Tuesday morning, I opened up my email to find _____Number_____ proposals assigned to me. I _____Verb Past Tense_____ in shock and quickly started to read through them to make sure I note all the items needed for outreach. I pour my self some nice _____Adjective_____ _____Food_____ and start my work. As soon as I begin, _____First Name of a Person_____ comes in with an urgent request for help on a project. I lend a _____Part of Body_____. Next I jump on a _____Noun_____. After that, I start to work, then the phone rings, its my kids _____Location_____ saying they are _____Adjective_____. I rush to _____Repeat Last Location_____ to pick him up. I get him settled. Time to start my work but my stomach is _____Verb Present ends in ING_____ so I grab a _____Food_____ to eat. I then start to work but realized I have _____Number_____ emails waiting for replies, I respond quickly. Time is _____Verb Present ends in ING_____ by. I finally start doing outsourcings and sending emails. Then I _____Verb Base Form_____ on another meeting. I pour another cup of _____Food_____. I stare blankly at the _____Noun_____ and think " What was I just working on?". It comes to me, and I start typing away to get something close to being finished for the day but of course I receive an email asking for a completed RFP. I immediately start to _____Verb Base Form_____ and realized I had already completed it, just needed to send out. Now its the end of the day, time to log off and the office phone rings, I answer and its a _____Adjective_____ salesperson. That's pretty much a day in proposals.
