# Africa - Toto

I hear the Noun Plural echoing tonight

But she hears only whispers of some Adjective conversation

She's coming in, Number: Number flight

The Adjective Noun reflect the Noun Plural that guide me towards salvation

I stopped an Adjective man along the way

Hoping to find some long Adjective words or Adjective Noun Plural

He turned to me as if to say, "Verb Base Form boy, it's Verb Present ends in ING there for you"

It's gonna take a lot to Verb Base Form me away from you

There's nothing that a Number men or more could ever do

I bless the rains down in Location

Gonna take some Noun to do the things we never Verb Past Tense

The Adjective Animal - Plural cry out in the night

As they grow restless, Verb Present ends in ING for some solitary Noun

I know that I must do what's right

As sure as Landmark rises like Tall Thing above the Serengeti

I seek to cure what's Adjective inside, Verb Past Tense of this thing that I've become

It's gonna take a lot to Verb Base Form me away from you

There's nothing that a Number men or more could ever do

I bless the rains down in Repeat Last Location

Gonna take some Noun to do the things we never Verb Past Tense

Hurry boy, she's Verb Present ends in ING there for you

It's gonna take a lot to Verb Base Form me away from you

There's nothing that a Number men or more could ever do

I bless the rains down in Repeat Last Location

I bless the rains down in Repeat Last Location

(I bless the rain)

I bless the rains down in Repeat Last Location

(I bless the rain)

I bless the rains down in Repeat Last Location

I bless the rains down in Repeat Last Location

(Ah, gonna take the time)

Gonna take some time to do the things we never had
