Heathers first day

"Heather", my mother called to me, "Come into the kitchen and eat your Food! I have to go arrest some people today since I am a Job after all!"

"Coming", I groaned.

It was the first day of sophomore year.

I Verb Past Tense downstairs to see my little sister Susie and my big brother Terrance sitting down and eating.

"You look Adjective", Terrance said.

I glared at him. "You are Adjective and Adjective and just overall annoying and I can't stand to look at you. Thanks for being a jerk."

He's a senior and Susie is in 8th grade.

Mom came into the kitchen, "Well Noun Plural. Have a fantastic first day of school."

She ran her Part of Body threw Terrance's hair. "I can't believe my little baby boy is a senior!"

Terrance rolled his eyes. "Mom seriously stop."

She slapped him _____ Adjective _____ across the _____ Part of Body _____. "Don't tell me what to do. Or else, I will come into school with you and tell all your ex girlfriends how you were kissing other girls behind their backs."

Susie laughed, "god Terrance. You are such a _____ Animal _____."

After breakfast we all got in Terrance's old car. It smelled like _____ Noun Plural _____ and _____ Noun Plural _____.

We dropped Susie off her middle school. "Bye twerp. Don't trip in the way in!", Terrance called from

"Terrance she is like 13, be nice gosh."7

Terrance laughed," exactly she's _____ Number _____ she's not 5 for crying out loud."

We finally got to our high school and Terrance was greeted by his jerk of a girlfriend Miranda.

We parted ways and I walked in with my book bag. In homeroom I sat down by a boy I've never seen before. He was _____ Adjective _____.

He seemed a bit nervous

"Hi, I'm Heather", I introduced myself.

He smiled, "hey I'm chase. I'm new here. Is this school any good?", he gave a nervous laugh.

But I was so distracted because I was staring at his beautiful Part of Body and his Adjective brown hair.

"Um? Heather?", chase asked.

I snapped out of my trance. "Oh sorry. What were you saying?"

Just then the Adjective Ends in EST girl in my grade, Kara Freighon, walked up to Chase.

She laughed, "oh Chase. Hi! I'm Kara! Welcome to our school. I understand you are new here and wouldn't know any better than to talk to hideous people like Heather Furansa. Please. Pay no attention to here. Come over here and sit by my Noun Plural and I. "

Chase reluctantly got up and said "oh okay".

I glared at Kara. I hate her with a burning passion in my soul. And Chase actually seemed genuinely nice and she had

to take him away.

My bestfriend Marlene came and sat beside me. "Oh Heather. I'm so sorry she had to embarrass you like that on the first day."

"It's fine I'm used to it by now."

"Well if it makes you feel any better we never had a chance. I mean with _____ *Part of Body* _____ as big as His he was bound to be popular like Kara and her friends."

After homeroom I went to a few of my classes and then headed to lunch. And of course I had to forget my lunch box so I was forced to buy the _____ *Adjective* _____ school lunch.

The lunch lady was so excited to be here at school and I don't know why because all she does is serve _____ *Food* _____ all day.

I _____ *Verb Past Tense* _____ down by my friends and lunch actually was going pretty good. Terrance was on the complete opposite side so I didn't have to deal with him and Kara sat far away too!

Just

as I thought my day was going okay Kara went up to the register and bought a bright blue slushee. She

Verb Past Tense past my table but pretended to slip and spilt her slushee all over me.

"Ugh!", i gasped.

"Oh my bad. I thought you were the trash. I forgot I hated Slushees."

She wakes back to her table and they were all Verb Present ends in ING at me.

"I HATE YOU!", i screamed at the top of my Part of Body.

I ran into the restroom crying. My Adjective shirt was ruined and stained blue.

Marlene followed me into the restroom. "Heather!"

"What?", i snapped with tears and mascara Verb Present ends in ING down my face. "I don't know why she has to act like this."

"I think she's jealous because she might be popular and beautiful but you are so much more Adjective and

she knows it. You are so kind and Adjective for people and she hates it because she can't act like it."

"Marlene. You and I both know that's about of Food."

"Shut up. It's not. Come on . Let's go. Let's go to the nurse and get you changed."

She held out her hand and I grabbed it and she helped me up.

Together we walked to the nurses office.

After lunch was over I went to history and guess who was there. Chase. He probably thinks I'm so Adjective and stupid.

He was sitting at a desk and then Kara walked in and sat beside him.

She looked at me up and down. "Oh I see you changed."

"I did yeah", I Verb Past Tense.

Chase

stood up. "Kara is this how you always act? Because I hate it. You are acting so Adjective right now it's awful. I don't want to associate with a girl like you. Sorry. Heather, would you like to sit in the front with me?"

I smiled, "yes I would like that. Thank you."

Maybe, the first day wouldn't be so bad after all
