# Tank Park Tales

There once was a Noun named Proper Noun. Proper Noun. He went to Iraq with his crew.

One night they had a mission and he was Verb Present ends in ING the tank with night vision. As they were headed around a bend, he could not see the elevation difference or the turn. Instead of turning he went straight and drove off the side of the road into a gully. The main gun was buried in the ground and his tank had to be towed out of the ditch.
