# What is it, Precious?

Poor Bilbo sat in the \_\_\_\_\_ of all the horrible \_\_\_\_\_ of all the \_\_\_\_\_ and \_\_\_\_\_ he had ever heard told of in tales, but not one of them had done all these things. He had a feeling that the \_\_\_\_\_ was quite different and that he ought to know it, but he could not think of it. He began to get \_\_\_\_\_, and that is bad for thinking. Gollum began to get out of his \_\_\_\_\_. He \_\_\_\_\_ flapped into the water and \_\_\_\_\_ to the bank; Bilbo could see his eyes coming towards him. His tongue seemed to stick in his \_\_\_\_\_; he wanted to shout out : "Give me more time! Give me time!" But all that came out with a \_\_\_\_\_ squeal was:

"Time! Time!"

Bilbo was \_\_\_\_\_ by \_\_\_\_\_. For that of course was the \_\_\_\_\_.
