# My First Day

Dear Diary,

I started middle school this year

My \_\_\_\_\_ Adjective brother in high school, always told me how \_\_\_\_\_ Adjective middle school was and how he wishes he could've skipped those three years. I didn't think it would be that \_\_\_\_\_ Adjective. I mean how \_\_\_\_\_ Same Adjective could it possibly be? That was my mindset before the first day.

I know you're thinking I probably woke up, \_\_\_\_\_ Verb Base Form my alarm and danced to random background music until I was ready to leave, and then proved my brother wrong!

LIES!

I woke up 20 minutes after my alarm was supposed to go off because it was set to 8:00 PM not Am. Then I rushed out of bed and \_\_\_\_\_ Adverb put my clothes on WITHOUT light. Turns out I put my pants on backward and my shirt on inside out. I didn't realize this until after I \_\_\_\_\_ Verb Past Tense my bagel, put on 2 different socks, put my hair in a \_\_\_\_\_ Adjective messy bun and had run to my bus stop before missing the bus completely. So, then I hid in the bushes until my Smart \_\_\_\_\_ Name brother came to pick me up. He pulled up to the curb and had the right to say to me "Told you it would \_\_\_\_\_ Adjective." When I got to school I went to the wrong first period. Then in P.E., someone hit me in the face with a \_\_\_\_\_ Noun. After that, some kid who was staring at his phone in lunch walked into me and spilled \_\_\_\_\_ Food all over me.

But...

In the sixth period, a girl into the bathroom with the same \_\_\_\_\_ Same Food stain, a \_\_\_\_\_ Injury on her head

,

backward jeans, mix-matched socks and a note saying "Came to the wrong class" in her hand, and asked me "

How's your day been because mine has been \_\_\_\_\_ *Adjective* \_\_\_\_\_."
