# First Week 22

I am \_\_\_\_\_ in my \_\_\_\_\_. I have to \_\_\_\_\_ my \_\_\_\_\_. First, I will go to the library. The staff of the library is \_\_\_\_\_. I can start to \_\_\_\_\_ my \_\_\_\_\_ at the library. Next, I will go to class. This is my \_\_\_\_\_ class. The name of the class is Introduction to Sociology. \_\_\_\_\_! I am hungry. I will go to the \_\_\_\_\_ for a \_\_\_\_\_. After lunch, I will walk to Iadarola for math. \_\_\_\_\_! Math is \_\_\_\_\_. But my professor recommends that we go to the Math Resource Center. If it is anything like the Writing Center or the Classroom Coach for sociology, I will definitely stop by the Math Resource Center. I am going to be \_\_\_\_\_ at Cabrini.
