The perfect gift

The day had _____ Adverb arrived, it was my best _____ Noun birthday, I had been thinking about different gifts options but I did not seem to find the perfect one. First, I thought of getting her a blue ribbon because her favorite color is _____ Adjective, but then I remembered how much she enjoys _____ Verb Present ends in ING so, I thought maybe a new pair of running shoes will be the perfect gift or maybe a new set of paint _____ Noun _____ Plural since she is a very artistic person.

I just couldn't decide, so I asked my _____ Noun for help. We went to the shopping mall together and we got her a cat necklace, because they are very _____ Adjective, _____ Adjective and _____ Adjective like my best friend.
