I love using technology. I am really \_\_\_\_\_ Adjective at using it. One thing you have to be careful about is that you are not doing something \_\_\_\_\_ Adjective so your computer gets \_\_\_\_\_ Verb Past Tense. When I got my first computer I spent at least \_\_\_\_\_ Number hours of the day surfing the net. Mr. \_\_\_\_\_ First Name of a Person is really good at using computers. He got us \_\_\_\_\_ Software on our computers. We spent about \_\_\_\_\_ Number hour at \_\_\_\_\_ Noun using our computers. You should never misuse your computer because it might be taken away from you. You should never spill \_\_\_\_\_ Liquid on your computer as \_\_\_\_\_ Company cannot fix it. Always protect your computer when it \_\_\_\_\_ Verb Present ends in ING as it can damage your computer by putting \_\_\_\_\_ Liquid in it. Have you ever \_\_\_\_\_ Adjective your computer?
