Once upon a time there was a kid called First Name of a Person. He was bullied every day by this kid called First Name of a Person. First Name of a Person was bullied because he was really bad at spelling. He had just started at St. name of a school so he was not used to the a language environment. Before he came he went to a local a language school and he was homeschooled by his mom. First Name of a Person had been in St. name of a school for a long time so he was used to the English environment. Even First Name of a Person was in ESL with First Name of a Person but he still bullied him. One day First Name of a Person started to cry because First Name of a Person took his really color and old important Noun and threw it away. First Name of a Person also threw First Name of a Person really fluffy and color teddy Noun away. First Name of a Person lived a really feeling and feeling life.
