Fun

Today's edition of Writer's is all about the Percy Jackson/Heroes of Olympus books.[Warning:
There are
hilarious when the Noun of Proper Noun ends with Percy Jackson and Annabeth Adverb
hanging off a cliff! I also liked it when Percy Jackson fights the Minotaur and he somehow rips its
Noun off. Then he wakes up, a blond girl[Annabeth] is feeding him Verb Past Tense popcorn-
flavored pudding with a spoon. Then she flounces off, and says, "You verb Base Form in your sleep."Hazel
Levesque is an interesting because she has blackouts that take her back to her past, and she is
from the 1940s. Her power of summoning from the Earth that are very lethal is a power that
she hides from others, and Nico DiAngelo is her half-brother.
