Career Day

Today was a/an Adjective day at Noun Elementary! It was Career Day and some of my classmates brought their parents to talk about their Adjective careers. The presentation began with Jake's Dad who is a Lawyer with an ad on TV where he always says " Adjective Talk is Adjective Business." He told us lots of Adjective stories like the one about a/an Noun dealer that he personally Verb Past Tense behind bars; It was something he called an open and shut case because the thug a.k.a. Adjective Face was caught Color handed .

Sally brought her mom who is a professional Occupation. She brought one of her tools to show the class. It was a Type of Tool which Mrs. Sampson says is all she needs to her job. She showed us how she Verb Present ends in S the Noun Adverb and Adverb and I must say I was shocked by her demonstration. I'm not sure what I want to be when I grow up but, I hope whatever it is makes me Adjective like today's guests.
