Everybody circling, it's vulturous

Negative, nepotist

Everybody waiting for the fall of man

Everybody praying for the end of times

Everybody hoping they could be the one

I was born to run, I was born for this

Whip, whip

Run me like a racehorse

Pull me like a ripcord

Break me down and build me up

I wanna be the slip, slip

Word upon your lip, lip

Letter that you rip, rip

Break me down and build me up

Whatever it takes

'Cause I love the adrenaline in my veins

I do whatever it takes

'Cause I love how it feels when I break the chains

Whatever it takes

You take me to the top I'm ready for

Whatever it takes

'Cause I love the adrenaline in my veins

I do what it takes

Always had a fear of being typical

Looking at my body feeling miserable

Always hanging on to the visual

I wanna be invisible

Looking

at my years like a martyrdom  
Everybody needs to be a part of 'em  
Never be enough, I'm the prodigal son  
I was born to run, I was born for this  
Whip, whip  
Run me like a racehorse  
Pull me like a ripcord

Hypocritical, egotistical  
Don't wanna be the parenthetical, hypothetical  
Working onto something that I'm proud of, out of the box  
An epoxy to the world and the vision we've lost  
I'm an apostrophe  
I'm just a symbol to remind you that there's more to see  
I'm just a product of the system, a catastrophe  
And yet a masterpiece, and yet I'm half-diseased  
And when I am deceased  
At least I go down to the grave and die happily  
Leave

the body and my soul to be a part of thee
