The First Patient Encounter

Pharmacist: Hello Mr. _____ Name! Are you here to pick up your _____ Animal Plural today?

Patient: No I already picked them up last _____ Season.

I've had, like, _____ Number weeks of _____ Complaint. I have been to _____ Location and got a prescription for _____ Alcoholic Beverage. And then I kept having dry _____ Part of Body, and I went to _____ Location and got another prescription for _____ Food. That was _____ Number days ago, and I'm not any better. I think I need some _____ Product because my friends took it and got better. And I'm just so tired of feeling _____ Emotion. Can you give me something to make me _____ Superpower? Every year my regular doctor gives me _____ Noun, and I always get better immediately.

Pharmacist: Unfortunately, you have _____ Disease, but don't worry. You will get better, soon. Your physician prescribed you _____ Junk Food, take it every _____ Time of day with plenty of _____ liquid, rest, and call me if you feel _____ Emotion.
