The Raven by Edgar Allan Poe

Once upon a Adjective dreary, while I pondered, Adjective and Adjective,

Over many a quaint and curious volume of Adjective lore--

While I Verb Ends in ED, nearly napping, suddenly there came a tapping,

As of someone gently Verb Present ends in ING, Verb Present ends in ING at my chamber door.

" 'Tis some visiter, I muttered, Verb Present ends in ING at my chamber door--

Only this and nothing more

Ah, distinctly I remember it was in the Adjective December

And each separate Adjective ember wrought its Noun upon the floor.

Eagerly I wished the morrow --vainly I had sought to borrow

From my books surcease of Feeling or Emotion for the Adjective Name of Woman

For the rare and radiant maiden whom the angels name Name of Woman

Nameless here for evermore.
