Other amendments protected individual Noun Plural as many states had already done. In Year
the Virginia Statute of Freedom stated that "No man shall be compelled to frequent or support
any epeat Last Event worship or otherwise suffer, on account of his epeat Last Event opinions of
belief." Repeat Last Event freedom became the very first right listed in the First Amendment. The First
Amendment also emphasized a key element of the republic: freedom of, or the
ability to express different points of view.
At first, individual state governments were not considered subject to the Bill of Rights. It was only after the
ratification of the Fourteenth Amendment in and subsequent Supreme Court decisions that the
Bill of Rights was applied to the states.
Still, with the Bill of Rights in place, the new framework of government was complete. Over time, the
Constitution would grow and change along with the nation.
