Mom-Lib: Birthday Love

There once was a woman who was very Adjective and lived in Iowa. She was from a state known for Noun, that's right North Dakota. Renowned for her Noun and Noun she was also a Adjective wife. Mother to three Adjective kids, she gave them a Adjective life. She is selfless and caring and oh so amazing, even with 2 daughters full of hell raising. No way her Adjective son would ever do wrong, but maybe oh maybe he's hit(ten) a bong. A Adjective Ends in EST man, yes that was for her, together they now are Adjective entrepreneurs. Many Adjective hours did she spend at her work, making sure employees would get their pay. Now that Adjective woman is having her 30th birthday! Cruises, tours, vacations and such, she has made her kids Noun come true. Maybe after all of this time, they could do that for her too. Now the stars have Verb Past Tense and her dream is finally near. Her Adjective Ends in EST boy Blake will be in attendance to see the Adjective Vikings kick the Adjective packers in their rear. Coming on Friday the 23 of November, you shall be joined by ALL of your family members.
