The Accountants Fighting Ring

So it begins with all of the RN office in the top car park and we were having a _____Noun_____ for lunch all in _____Noun Plural_____ and _____Verb Present ends in ING_____ and _____Verb Present ends in ING_____. Then the accountants come up the hill and Luke was like "they've been for an hour and quarter for lunch" and we moaned about them _____Verb Present ends in ING_____ whilst simultaneously talking about how we like to _____Verb Base Form_____ to each other. Then the accountants come back up the hill but this time there's like 50 of them, all just a variety of _____Proper Noun Plural_____ and they all have these evil smirks and are all _____Verb Present ends in ING_____

Then they all form a circle near our camp and these 2 _____Proper Noun Plural_____ get pushed into the middle and they all start _____Verb Present ends in ING_____ and _____Verb Present ends in ING_____

they started _____Verb Present ends in ING_____ and they forced these 2 guys to _____Verb Base Form_____ each other, bare knuckle

and we were all like "You can't do this what the heck!" and they were like "no it's okay they're _____Proper Noun Plural_____" and I went over and started asking if they were okay and they were like "yeah it's okay we're just _____Proper Noun Plural_____"
