# The Great Wedding Crash Adventure (Long)

Today was the day I would finally \_\_\_\_\_ Verb Base Form my \_\_\_\_\_ Relationship 's wedding.

I piled into the \_\_\_\_\_ Transportation with my friends \_\_\_\_\_ Friend One and \_\_\_\_\_ Friend Two after we dressed in our \_\_\_\_\_ Adjective Ends in EST \_\_\_\_\_ Clothes Plural. I \_\_\_\_\_ Verb Past Tense as \_\_\_\_\_ Adjective as I possibly could, to reach the \_\_\_\_\_ Location \_\_\_\_\_ Adjective before the wedding could finish.

I had loved \_\_\_\_\_ Character One for the \_\_\_\_\_ Adjective Ends in EST \_\_\_\_\_ Unit of Time. Since we had broke up in \_\_\_\_\_ Adjective school, I spent \_\_\_\_\_ Adjective nights \_\_\_\_\_ Verb Present ends in ING and thinking of nothing but \_\_\_\_\_ Character One. When I found out about \_\_\_\_\_ Character One and \_\_\_\_\_ Character Two \_\_\_\_\_ Verb Present ends in ING the knot, I never wanted so \_\_\_\_\_ Adverb as to \_\_\_\_\_ Verb Base Form \_\_\_\_\_ Character One away from them. I spent \_\_\_\_\_ Unit of time plural before the wedding to plan how I was going to finally do it; and now I was \_\_\_\_\_ Adjective.

"Are you sure you want to do this?" \_\_\_\_\_ Friend One asked me as I \_\_\_\_\_ Verb Past Tense in the back of the \_\_\_\_\_ Same Location.

"\_\_\_\_\_ Yes or No, I'm as \_\_\_\_\_ Adjective as ever." I assured them as we got our \_\_\_\_\_ Weapon Plural ready.

We weren't planning on actually \_\_\_\_\_ Verb Present ends in ING anybody with them, as we had only brought the \_\_\_\_\_ Same Weapon Plural

just as a Verb Base Form tactic of sorts.

"Maybe if all goes Adjective, we can go have a Win or Lose Breakfast Lunch or Dinner at Restaurant." Friend Two suggested.

"Maybe." I agreed. As we rounded to the front of the Same Location me and my friends stopped Verb Present ends in ING and got really Adjective.

We Verb Past Tense up to the front door and Friend One put their Part of Body to the door for a few Unit of Time Plural. Once Friend One gave us the signal, we threw open the Same Location doors and Verb Past Tense in.

"I Verb Base Form!" I Verb Past Tense as I made my entrance.

The audience turned from the Type of Person to look at us in Emotion Plural. I could see Character One looking Adjective at me in particular.

"Character One!" I called out. "I've come to ask for your Part of Body in marriage!"

\_\_\_\_\_ Character Two looked at me \_\_\_\_\_ Adverb. "You can't just \_\_\_\_\_ Verb Base Form in here and

\_\_\_\_\_ Verb Base Form \_\_\_\_\_ Character One as yours! They're mine and there's nothing you can do about it!"

" \_\_\_\_\_ Response to getting threatened." I smirked, raising my \_\_\_\_\_ Same Weapon at him. The crowd began to

\_\_\_\_\_ Verb Base Form from the \_\_\_\_\_ Same Location as I lost my \_\_\_\_\_ Noun and began to beat up

\_\_\_\_\_ Character Two right then and there.

My friends on the other \_\_\_\_\_ Part of Body stood \_\_\_\_\_ Adverb and \_\_\_\_\_ Verb Past Tense, ready to step in and

\_\_\_\_\_ Verb Base Form me if I was about to \_\_\_\_\_ Win or Lose this fight.

" \_\_\_\_\_ Noun Plural, go and make sure no one has sent \_\_\_\_\_ Plural Occupation after us!" I ordered them soon

after I \_\_\_\_\_ Verb Past Tense \_\_\_\_\_ Character Two over the \_\_\_\_\_ Part of Body with my \_\_\_\_\_ Same Weapon and

they fell onto the ground. \_\_\_\_\_ Friend One and \_\_\_\_\_ Friend Two wasted no time in doing so. Now, it was just

Me, \_\_\_\_\_ Character Two, \_\_\_\_\_ Character One, and fate which I had passed the \_\_\_\_\_ Noun of no return.

"Any last words?" I asked \_\_\_\_\_ Character Two just like \_\_\_\_\_ Celebrity or Fictional Character did in \_\_\_\_\_ Movie

\_\_\_\_\_ Video Game or Tv Show as I aimed my \_\_\_\_\_ Same Weapon at them.

" \_\_\_\_\_ Shocking or Random Sentence." \_\_\_\_\_ Character Two said to me \_\_\_\_\_ Adverb. I hesitated on whether or not I

should

actually \_\_\_\_\_ Verb Base Form my \_\_\_\_\_ Noun rival, only for \_\_\_\_\_ Character One to \_\_\_\_\_ Dialogue Word, "  
\_\_\_\_\_ Yes or No!" and that solved everything.

When that was all over with, I \_\_\_\_\_ Verb Past Tense over to \_\_\_\_\_ Character One who was still \_\_\_\_\_ Verb  
\_\_\_\_\_ Present ends in ING by the \_\_\_\_\_ Noun. They looked \_\_\_\_\_ Emotion to see me.

"\_\_\_\_\_ Character One..." I \_\_\_\_\_ Verb Past Tense, only to get interrupted with a kiss on the \_\_\_\_\_ Part of Body. I  
felt \_\_\_\_\_ Adjective even as they pulled away and \_\_\_\_\_ Verb Past Tense.

"No need to \_\_\_\_\_ Verb Base Form, I have \_\_\_\_\_ Always or Never \_\_\_\_\_ Loved or Hated you and I'm  
\_\_\_\_\_ Emotion for what you did." \_\_\_\_\_ Character One said to me.

"Really?" I questioned.

"\_\_\_\_\_ yes or no." They said back. "I \_\_\_\_\_ Always or never really \_\_\_\_\_ Hated or Loved \_\_\_\_\_ Character Two  
anyway, they were always so \_\_\_\_\_ Adjective towards me. I didn't mean to end our relationship, but  
\_\_\_\_\_ Character Two forced me to do so or..."

I could tell \_\_\_\_\_ Character One looked really \_\_\_\_\_ Emotion and \_\_\_\_\_ Emotion about all that we had been  
through as I took hold of their \_\_\_\_\_ Part of Body.

"Hey, that's all in the \_\_\_\_\_ Past Present or Future now. I forgive you." I \_\_\_\_\_ Adverb told them while  
\_\_\_\_\_ Verb Present ends in ING, "You don't have to feel \_\_\_\_\_ Adjective anymore."

\_\_\_\_\_ Character One looked in my eyes with a \_\_\_\_\_ Adjective smile and I gazed \_\_\_\_\_ Adverb back into the  
\_\_\_\_\_ Color eyes of my \_\_\_\_\_ Nickname for a loved one. I could feel myself \_\_\_\_\_ Verb Present ends in ING closer...

" \_\_\_\_\_ Main Character Name !" I heard \_\_\_\_\_ Friend One \_\_\_\_\_ Verb Present ends in ING and turned to see them  
\_\_\_\_\_ Verb Present ends in ING into the room as \_\_\_\_\_ Friend Two followed close behind.

"What?" I wondered as I felt my \_\_\_\_\_ Organ \_\_\_\_\_ Verb Base Form in place.

"The \_\_\_\_\_ Same occupation plural ..... they're \_\_\_\_\_ Verb Present ends in ING !" \_\_\_\_\_ Friend Two told me while still  
trying to \_\_\_\_\_ Verb Base Form their \_\_\_\_\_ Noun.

\_\_\_\_\_ Character One \_\_\_\_\_ Verb Past Tense as I got equally \_\_\_\_\_ Verb Past Tense. Now that they both mentioned  
it, I could hear the sound of \_\_\_\_\_ Noun Plural getting \_\_\_\_\_ Adjective ending in ER !

" \_\_\_\_\_ Exclamation ! We better get \_\_\_\_\_ Verb Present ends in ING !" I tell everyone. I began \_\_\_\_\_ Verb Present ends  
\_\_\_\_\_ in ING to the front door only for \_\_\_\_\_ Friend One to \_\_\_\_\_ Verb Base Form me.

"What are you, Adjective? If we head out that way, the Same occupation plural will Verb Base  
Form us for sure!"

"Then start Verb Present ends in ING windows!"

Me, Friend One, and Friend Two started trying to Verb Base Form the window nearest to the  
back entrance but the glass was too Adjective. It was a Adjective thing that Character One  
solved it by hurling a Noun at the window. It shattered completely and I thanked Character One  
with a Action you can do towards someone such as kiss before Verb Present ends in ING out of the Same  
Location and Verb Past Tense to the Same mode of transportation. Friend Two took shotgun,  
Friend One sat next to them, and me and Character One in the backseat.

We could all hear the Noun Plural growing louder and I could feel my Organ Verb Base  
Form even faster.

"Verb Base Form on it!" I screamed to Friend Two. Friend Two struggled with starting up the  
Same mode of transportation but we managed to get away just in time. Adjective Noun Plural hit  
the roof of the Same mode of transportation as Friend Two turned off of the street onto Proper  
Noun Boulevard.

\_\_\_\_\_ Friend One turned on the radio to \_\_\_\_\_ Verb Base Form our \_\_\_\_\_ Noun Plural and it just so happened that \_\_\_\_\_ Song Name was playing, the same tune that \_\_\_\_\_ Character One and I had \_\_\_\_\_ Verb Past Tense to on the \_\_\_\_\_ Time of Day of \_\_\_\_\_ Event moments before breaking up. I hummed to it as \_\_\_\_\_ Character One laid their head on my shoulder and closed their eyes.

"Well, looks like we won't be \_\_\_\_\_ Verb Present ends in ING out at \_\_\_\_\_ Same Restaurant after all." \_\_\_\_\_ Friend Two told \_\_\_\_\_ Friend One with \_\_\_\_\_ Emotion Plural. "I really wanted to use those \_\_\_\_\_ Noun Plural..."

"At least we got out \_\_\_\_\_ Adjective!" \_\_\_\_\_ Friend One replied. "One more \_\_\_\_\_ Unit of Time late and we could have been \_\_\_\_\_ Adjective!"

"Yeah." I agreed. "We can always go eat out some other time. Besides, the mission was a success and I've got a \_\_\_\_\_ Noun far better than \_\_\_\_\_ Food."

\_\_\_\_\_ Character One \_\_\_\_\_ Verb Past Tense and we drove off into the \_\_\_\_\_ Time of Day to \_\_\_\_\_ Friend Two \_\_\_\_\_ Possessive \_\_\_\_\_ Type of House to lay low for a while as I felt \_\_\_\_\_ Adjective in my mind knowing that \_\_\_\_\_ Character One was finally \_\_\_\_\_ Adjective again
