# Acceptance Speech

Wow! What an Adjective honor to be given this Noun today. All of those years of hard work and dedication have paid off. First I would like to thank my son. Without his love and support my success in Hollywood wouldn't have been possible. Second, I would like to thank my friends and co-stars you guys are amazing. I'm honored to work with such amazing talent. Also to my parents, I wouldn't be here without you. From changing my diapers to helping me studying, from years of dance camp and paying off my school loans, you are the best! Thanks for being my biggest fans. And to my grandmother ( holding Award up towards audience) this Hollywood award is for you! Thank you!
