undertale au

_____Custom Undertale AU_____ is an AU where all of the characters' roles are _____Verb Past Tense_____, as well as their personalities, though some quirks tend to stick in _____Place_____, or are modified. Sans is the _____Adjective_____, _____Adjective_____, _____Adjective_____ optimistic human hunter, while Papyrus is the laid back, _____Adjective_____ bro following Chara (who is _____Verb Past Tense_____ with Frisk). Other _____Verb Present ends in S_____ in this AU are Asgore and Toriel, Alphys and Undyne, Napstablook and Mettaton, Grillby and Muffet, Burgerpants and Nice Cream Guy, and Flowey and Temmie.

The plot of _____Custom Undertale AU_____ revolves around each character from the Undertale universe being _____Verb Past Tense_____ with other characters, such as Sans' and Papyrus' personalities being _____Verb Past Tense_____ (although they keep the same names, so what we consider Sans to be as a character is now how Papyrus is, for example).
