When Katie and Gunnar switched places.

Gunnar has always been known as the lovable yet annoying dog and Katie has always been the don't mess with me dog. But, here's the story of when they switched places. It was a cold _____ Day of the week _____ and everyone was keeping warm inside. Katie, who was normally laying somewhere was all up in our _____ Body part plural _____, like Gunnar usually was. And Gunnar layed down, like Katie would normally do. It didn't stop there, Katie went so far as to steal _____ Type of sweets _____ from a purse. Gunnar would be expected to do this but never Katie. a little while later we had two gunnars. We think Winston may have cast a spell on her so he could be the _____ Adjective _____ one and get all the treats.
